

Video Recording Sheet*

Note: Use this sheet to record your observations and interpretations of these observations as you view the video clip. For best results, use in conjunction with the *Discussion Questions for Video Viewing* and the respective video viewing guides.

Evidence: I saw/heard in the video...	Interpretation: I wondered/I made a connection/I thought...

*This recording sheet was adapted from the Strategic Literacy Initiative at WestEd to support teacher inquiry with videotapes of classroom reading instruction. It is used by permission. www.wested.org/sli
